

# *LeTip of Salem*

## Welcome!

At your second meeting, you will be given an application to review and complete by your inspection. After your business has been inspected and the current chapter members have voted you in, prepare to handle all of the new business that is about to come your way!

The fee schedule for the chapter membership is as follows:

### LeTip of Salem membership fees:

- \$325 - due at time of application. This is the LeTip International initiation fee. Make a check out to them - or for your convenience, they will accept payment by credit card.
- \$75 - This is the initiation fee for the local chapter. Make a check out to LeTip of Salem.
- \$150 - each quarter. These chapter quarterly dues are prorated and billed by the chapter treasurer. This is to cover the breakfast bill, advertising, socials and administrative expenses.
- \$210 - annually. This is the annual dues for LeTip International. LeTip International will bill this to you on your one-year anniversary date.  
(All fees are subject to change)

#### **\*\*Please Note\*\***

Your membership application will not be voted on unless your \$325 and \$75 payments have been received by the Letip of Salem chapter. Your payments will be held until the time you are voted in by the members of the chapter.
